Fall Lecture Series- Hotspots of the World

The Grace A. Dow Memorial Library will be exploring world conflict in its fall lecture series entitled, "Hotspots of the World," which will focus on some of the world's most troubled areas. Today, our understanding of world affairs comes primarily from the media or social media and often lacks any historical background or context to events contributing to current world crises. The purpose of this lecture series is to deepen our knowledge and broaden our perspectives on some of the critical areas of conflict in the world today. Topics include **North Korea** on Thursday, September 26; **Ukraine** on October 24; **Syria** on November 14; and **Venezuela** on December 5. All lectures are held in the Library Auditorium at 7:00PM. Free to attend. Mark your calendars today!

Book to Movie September Selection

The Art of Racing in the Rain
by Garth Stein

Enzo the dog is deeply jealous when his owner, Denny, falls in love with Eve, but after baby Zoe is born, Enzo assumes his role as the family's unconditional protector, particularly after Eve is diagnosed with brain cancer. After Eve's death, her parents drag Denny into a bitter custody battle for Zoe. Enzo, despite his canine limitations, passionately defends Denny and even alters the course of events. Readers will delight in Enzo's wild, original voice; his aching insights into the limitations and joys of the canine and human worlds; and his infinite capacity for love.
