2020**

Get Counted in the 2020 Census!

The next United States Census count happens this year! We encourage **everyone** in our community to fill out their Census form, because the count of residents in 2020 will determine funding for all sorts of programs, services, and organizations in Midland for the next decade.

Watch your mail for your Census forms starting in March.

GADML will be getting involved to help Midland get the most accurate count possible. Watch for events and resources on our website (www.gadml.org) and on Facebook (www.facebook.com/GraceDowLibrary)

You can get more information about the Census online at 2020census.gov — and remember — **EVERYONE COUNTS!**
