§ 52.4 What are the Secretary's general responsibilities under the Order?

§ 52.5

(1) Uses the state process to determine official views of state and local elected officials;

(2) Communicates with state and local elected officials as early in a program planning cycle as is reasonably feasible to explain specific plans and actions;

(3) Makes efforts to accommodate state and local elected officials' concerns with proposed Federal financial assistance and direct Federal development that are communicated through the state process;

(4) Allows the states to simplify and consolidate existing federally required state plan submissions;

(5) Where state planning and budgeting systems are sufficient and where permitted by law, encourages the substitution of state plans for federally required state plans;

(6) Seeks the coordination of views of affected state and local elected officials in one state with those of another state when proposed Federal financial assistance or direct Federal development has an impact on interstate metropolitan urban centers or other interstate areas; and

(7) Supports state and local governments by discouraging the reauthorization or creation of any planning organization which is federally-funded, which has a limited purpose, and which is not adequately representative of, or accountable to, state or local elected officials.

§ 52.5 What is the Secretary's obligation with respect to Federal inter-agency coordination?

The Secretary, to the extent practicable, consults with and seeks advice from all other substantially affected Federal departments and agencies in an effort to assure full coordination between such agencies and the Department regarding programs and activities covered under these regulations.

24 CFR Subtitle A (4-1-04 Edition)

§ 52.6 What procedures apply to the selection of programs and activities under these regulations?

(a) A state may select any program or activity published in the FEDERAL REGISTER in accordance with § 52.3 of this part for intergovernmental review under these regulations. Each state, before selecting programs and activities shall consult with local elected officials.

(b) Each state that adopts a process shall notify the Secretary of the Department's programs and activities selected for that process.

(c) A state may notify the Secretary of changes in its selections at any time. For each change, the state shall submit to the Secretary an assurance that the state has consulted with local elected officials regarding the change. The Department may establish deadlines by which states are required to inform the Secretary of changes in their program selections.

(d) The Secretary uses a state's process as soon as feasible, depending on individual programs and activities, after the Secretary is notified of its selections.

§ 52.7 How does the Secretary communicate with state and local officials concerning the Department's programs and activities?

(a) For those programs and activities covered by a state process under § 52.6, the Secretary, to the extent permitted by law—

(2) The assistance or development involves a program or activity not selected for the state process.

Office of the Secretary, HUD

(a) Except in unusual circumstances, the Secretary gives state processes or directly affected state, areawide, regional and local officials and entities—

(1) At least 30 days from the date established by the Secretary to comment on proposed Federal financial assistance under: (i) A covered mortgage insurance program, (ii) the Urban Development Action Grant Program, or (iii) the Housing Development Grant Program.

(2) At least 60 days from the date established by the Secretary to comment on proposed Federal financial assistance other than under a program covered by paragraph (a)(1).

(b) This section also applies to comments in cases in which the review, coordination, and communication with the Department have been delegated.

(c) Applicants for programs and activities subject to section 204 of the Demonstration Cities and Metropolitan Act shall allow areawide agencies a 60-day opportunity for review and comment.

[48 FR 29216, June 24, 1983, as amended at 49 FR 24653, June 14, 1984]

§ 52.9 How does the Secretary receive and respond to comments?

(a) The Secretary follows the procedures in § 52.10 if—

(1) A state office or official is designated to act as a single point of contact between a state process and all Federal agencies, and

(2) That office or official transmits a state process recommendation for a program selected under § 52.6.

(b)(1) The single point of contact is not obligated to transmit comments from state, areawide, regional or local officials and entities where there is no state process recommendation.

(2) If a state process recommendation is transmitted by a single point of con-

tact, all comments from state, areawide, regional, and local officials and entities that differ from it must also be transmitted.

(c) If a state has not established a process, or is unable to submit a state process recommendation, state, areawide, regional and local officials and entities may submit comments either to the applicant or to the Department.

(d) If a program or activity is not selected for a state process, state, areawide, regional and local officials and entities may submit comments either to the applicant or to the Department. In addition, if a state process recommendation for a nonselected program or activity is transmitted to the Department by the single point of contact, the Secretary follows the procedures of § 52.10 of this part.

(e) The Secretary considers comments which do not constitute a state process recommendation submitted under these regulations and for which the Secretary is not required to apply the procedures of § 52.10 of this part, when such comments are provided by a single point of contact, by the applicant, or directly to the Department by a commenting party.

§ 52.10 How does the Secretary make efforts to accommodate intergovernmental concerns?

(a) If a state process provides a state process recommendation to the Department through its single point of contact, the Secretary either—

(1) Accepts the recommendation;

(2) Reaches a mutually agreeable solution with the state process; or

(3) Provides the single point of contact with such written explanation of its decision, as the Secretary in his or her discretion deems appropriate. The Secretary may also supplement the written explanation by providing the explanation to the single point of contact by telephone, other telecommunication, or other means.

(b) In any explanation under paragraph (a)(3) of this section, the Secretary informs the single point of contact that—

(1) The Department will not implement its decision for at least ten days

§ 52.11

after the single point of contact receives the explanation; or

(2) The Secretary has reviewed the decision and determined that, because of unusual circumstances, the waiting period of at least ten days is not feasible.

(c) For purposes of computing the waiting period under paragraph (b)(1) of this section, a single point of contact is presumed to have received written notification 5 days after the date of mailing of such notification.

§ 52.11 What are the Secretary's obligations in interstate situations?

(a) The Secretary is responsible for—

(1) Identifying proposed Federal financial assistance and direct Federal development that have an impact on interstate areas;

(4) Responding pursuant to § 52.10 of this part if the Secretary receives a recommendation from a designated areawide agency transmitted by a single point of contact, in cases in which review, coordination, and communication with the Department have been delegated.

(b) The Secretary uses the procedures in § 52.10 if a state process provides a state process recommendation to the Department through a single point of contact.

(a) This part implements the requirements of Executive Order 11988, Floodplain Management, and employs the principles of the Unified National Program for Floodplain Management.
