

# How to sign up for a Gmail account

www.gmail.com

1. Enter **www.gmail.com** in your browser

2. Click **Create an Account**

3. Fill in the required information

Don't forget your account information:

Gmail Username: \_\_\_\_\_

Gmail Password: \_\_\_\_\_

*You will need this information to sign in again.*

## Hints for creating the account:

- No spaces when creating the username and password.
- Username needs to be different from everyone else. You may need try different usernames to get one that someone hasn't already used.
- Your email address will be your username with @gmail.com added on the end. For example if my username is "library" my email address is library@gmail.com
- For the password, use both letters and numbers to make your password more secure.
