NOMINATION FORM

About the City Strive Awards Program

The City Strive Awards is an employee recognition program developed to encourage and recognize employees that strive to exceed our residents' expectations, exceed the highest standards of service to the community, and exemplify the City's culture and values.

Strive: *"To make strenuous efforts toward any goal."*

How It Works

City of Midland employees and residents are encouraged to nominate a City staff member for an award. To nominate an employee, complete the form below and return it to the address at the bottom of the page. Nominations can be made at any time.

Award recipients will be determined by a recognition committee comprised of members of the City's Wellbeing Task Force.
